Neos Inclusive Electronic Playground Grand Opening, December 18

The grand opening ceremony for the recently installed Neos Inclusive Electronic Playground at Twin Lakes Park will take place on Sunday, December 18, 2016 beginning at 2:00 p.m. **The event is open to the public and no RSVP is required.** It will be held at the Twin Lakes Park Expansion area (the West Recreation Area), which is accessible from George's Station Road near the Peach Plaza Skate and Action Park.

The Neos Inclusive Electronic Playground was donated in-part by Alison and Brandon Cox of Greensburg, in memory of their daughter, Hailey. The Cox's are the founders and coordinators of the Hailey's Angels March for Parks team and have participated in the March for Parks event since 2011.

The Neos Inclusive Electronic Playground combines the fun of electronic games with the explosive movement of aerobic exercise that delivers a workout comparable to soccer or jogging, raising heart rate by an average of 20%. This playground is accessible for visitors of all ages and abilities, improving peripheral vision and auditory and spatial awareness skills with eight games for one or two players.

To access the Neos Inclusive Electronic Playground at Twin Lakes, follow Donohoe Road from the traffic light at Westmoreland Mall. **Bear right onto Donohoe Road.** Continue on Donohoe approximately one mile to four-way stop (intersection with Georges Station Road). Turn left onto Georges Station Road. In approximately 0.3 miles, turn right into Twin Lakes Park Expansion Site.
