Commissioner Tyler Courtney elected to PCoRP

Westmoreland County Commissioner Tyler Courtney was elected to the Pennsylvania Counties Risk Pool (PCoRP) Board of Directors at the November 23 annual meeting of the PCorp members. PCoRP is a program of the County Commissioners Association of Pennsylvania (CCAP), created in April 1987 to “provide property, liability, automobile and other related insurance coverage to Pennsylvania counties when the insurance industry made county insurances cost prohibitive. PCoRP provides counties with choice in their insurance pool, broad coverage catered to counties, price stability and efficient use of funds.

PCoRP is governed by a thirteen member Board of Directors, six elected by the participating counties through their Delegates and seven appointed by CCAP. The Board is responsible for setting policy and directing the operation of PCoRP.

Commissioner Courtney stated, “It is an honor to be elected to the PCoRP Board. Because Westmoreland County is a participant in the risk pool provided by CCAP, my being selected as the representative of 2nd and 3rd class counties gives us a voice on the board. I will be able to have direct insight as to how we are benefitting by being a participant.” He also noted that, “According to the December 2013 Insurance Matters CCAP newsletter, ‘Between the dividends and grants, PCoRP returned \$6.5 million to the members over a three year period.’ By joining PCORP, Westmoreland County establishes its eligibility toward dividends and grants.”

Commissioner Courtney serves on several other CCAP Boards/Committees and invites you to see his recent blog about his CCAP responsibilities by logging into the county’s website at www.co.westmoreland.pa.us and choosing Commissioners under the Department Tab to click on the link.

He also encourages you to share your expertise with Westmoreland County by logging into the county website, www.co.westmoreland.pa.us and filling out the online application to serve on a Westmoreland County Board or Committee. You will be asked to upload your resume as part of the application process. The direct link address is:
