## *What is Respite Care at Westmoreland Manor?*

The Respite Care Program at Westmoreland Manor is a short term stay of not more than 13 days per reserved period for an individual who requires 24 hour nursing care and supervision. It is offered to the community to temporarily relieve family members or primary caregivers who normally provide care.

The Westmoreland Manor Respite Care Program offers a needed service to caregivers who require time off for vacation, special family occasion, their own medical needs or just a break from 24 hour care in the home.

Interested parties should call Westmoreland Manor and request a Respite Care Program Application which includes a special medical form. After these forms are returned, the Respite reservation will be confirmed by signing the Respite Care Contract. This may be done 1-2 weeks prior to the day of the Respite Care admission.

For information call 724 830-4022.

## *What Services are Provided?*

- \* You will receive twenty-four hour supervision and nursing care according to your family physician's report.
- \* Medication Administration (Medication must be provided by client in properly labeled original containers.)
