

Westmoreland County Department of Public Safety, 911 Public Safety Rd, Greensburg PA

LOCAL ELECTED OFFICIALS SEMINAR MARCH 14, 2017

The Westmoreland County Department of Public Safety that operates the Enhanced 9-1-1 and County Emergency Operations Center is once again conducting a seminar on timely public safety programs which includes critical information on disaster and emergency response. The seminar provides elected officials and public safety personnel one on one discussion and networking opportunities. Key stakeholders and professionals with unique insight into how the mission of public safety encompasses everything, everyday, will be on hand to provide short presentations with a disaster table top exercise to wrap up the day.
